Coffee Hour Chat Worksheet

Imagine you are at coffee hour—or some other UU function that includes people who are relatively new to our religion. You are talking with a newcomer, who asks you to respond quickly to two general questions about Unitarian Universalism in the course of, say, five minutes. Write your responses in the spaces following the questions. Your goal is to be clear and brief yet thorough and encouraging.

Question 1: So what is this Unitarian Universalism?

Question 2: Okay, you're a UU. What do you believe?
